Re: WBDC Recertification

Dear BEP Firm:

Thank you for submitting a copy of your recertification with the Women's Business Development Center (WBDC) to the Business Enterprise Program. We are pleased to inform you that your company has been granted recertification as a female business enterprise (FBE) with the State of Illinois.

To assist the minority and female business owners, our agency has entered into an interagency agreement with the Women's Business Development Center (WBDC). Therefore, we accept the WBDC's decision regarding your certification status. Your certification is in effect with the State of Illinois as long as it is valid with WBDC.

Please visit our website at www.sell2.illinois.gov to obtain information about current and upcoming procurement opportunities, contracts, and a listing of state purchasing officers - and also to sign up to receive email alerts when the State is preparing to buy a product or service that you provide.

If you have any questions, please contact our office at (312) 814-4190 (Voice/TDD); (800) 356-9206 (Toll-free); (800) 526-0844 (Illinois Relay Line for the Hearing Impaired); or by Fax (312) 814-5539.

Sincerely,
